

# Sue's *sick bird* checklist

If you want help, answer the questions on this checklist and talk to your vet, or contact poultry expert  
Sue Clarke: email editor@nzlifestyleblock.co.nz.

Age of bird?

Breed?

Sex?

Your location?

How is your bird housed?

What symptoms have you noticed?

What are your bird's droppings like?

What is its breathing like?

Have its eating habits changed?

Has its condition changed?

Has its behaviour changed?

Has its mobility changed?

What is your normal worming regime?

- when was the bird last wormed?

- what with?

- was a follow-up dose given?

Have you administered any other medications recently?

Have there been any other changes?
